

ICECB 2017

November 20-22,
The University of Queensland,
Australia

ICECB 2017 will be held in *The University of Queensland, Australia*
During November 20–22, 2017

Important Date

Paper Submission (Full Paper) → Before Sept 15, 2017
Authors' Registration → Before Oct 20, 2017

Publication

All accepted papers of ICECB 2017 will be published in the **International Proceedings of Chemical, Biological and Environmental Engineering, (IPCBE ISSN: 2010-4618)** will be indexed by **EBSCO**, Chemical Abstracts Services (CAS), CABI, CNKI, WorldCat, Google Scholar, Ulrich's Periodicals Directory, Crossref and Engineering & Technology Digital Library.

Call for papers

Chemical, Environmental, and Process Engineering

Environmental engineering and sustainable development ; Process design and optimization
Product innovation, development and economics

Systematic Methods and Tools for Managing the Complexity

Multiscale modeling; Process synthesis & design
Process control & operations
Supply chain management & business decision support; Process Safety Management

Advances in computational & numerical methods

Safety & risk management systems

Environmental dynamics

Meteorology; Hydrology; Geophysics

Atmospheric physics; Physical oceanography

Global environmental change and ecosystems management; Climate and climatic changes

Chemistry and Chemical Engineering Fundamentals

Chemical engineering fundamentals

Physical, Theoretical and Computational Chemistry

Chemical engineering educational challenges and development; Chemical reaction engineering

Multi-scale and/or Multi-disciplinary Approaches

Process system, instrumentation and control

Product engineering and product development

Product design & innovation; Nanomanufacturing

Controlled release of the active ingredient

Energy & nuclear sciences; Energy and environment

CFD & chemical engineering

Integration of Life Sciences & Engineering

Biochemical Engineering; Biotechnology

Product Engineering in the Bio Industries

Self-organisation in the Bio-sciences and elsewhere

Delivery of the final product

Biotechnology applied to production of new and better

Keynote Speaker

Prof. R. J. (Dick) Haynes, The University of Queensland, Australia will be our conference chair.
